Dear Ami,

I just wanted to take a moment to thank you and the staff for making our visit with you so enjoyable. You helped make the appearance of "Danu" in Harbor Springs an unforgettable night for the audience and the band. The service was top drawer, all the way!! The hotel rooms at Stafford's Perry Hotel were absolutely beautiful and the "afterglow" at Stafford's Pier was amazing. We were treated like royalty from start to finish.

As "Danu" was leaving the parking lot at the hotel, they told me that they weren't looking forward to the rest of their tour. All other restaurants, hotels and staffs that they encountered the rest of the way were going to be measured by the hospitality received in Petoskey and Harbor Springs. We will be the talk of Ireland for some time to come, and your part in that was huge. I can't thank you enough.

Sincerely,

John Sheffler
