STAFFORD'S PIER RESTAURANT TO HOST AFTERGLOW EVENT FOR FAMED IRISH GROUP DANU

Stafford's Pier Restaurant in Harbor Springs is proud to be hosting the official afterglow event for the famed Irish band Danu on Saturday, March 25, 2006. The hardy, young group from County Waterford, dubbed by Irish Music Magazine as the year's best traditional band, will be performing at 8pm on March 25th at the new Harbor Springs Performing Arts Center. This will be the venue's inaugural professional performance. All guests are encouraged to attend the official afterglow event at the Pier Restaurant following the performance.

The afterglow is open to the public and will begin immediately following the 8 pm concert performance at the arts center. Guests will enjoy complimentary happy hour hors d'oeuvres, a full cash bar, and live entertainment by local musicians. A full selection of Danu merchandise will be available as well as the opportunity to mingle with the band. The Harbor Springs stop is part of Danu's longest U.S. tour in six years.

This event is graciously sponsored by Stafford's Hospitality, CMU Public Radio, and The Blissfest Music Organization.

For additional information on the official Danu afterglow event, please contact the Pier Restaurant at 231-526-6201 or via e-mail at pier@staffords.com.
